

Lucky Limbs Dove Tree 2.0 #30016-9

Thank you for purchasing the Lucky Limbs Dove Tree. To see more Lucky Duck™ products please visit your local Sporting Goods dealer or online at www.luckyduck.com.

The Lucky Limbs Dove Tree was designed to offer dove hunters an easy way to get decoys off the ground in an open field environment, and increase hunters success rates. The Lucky Limbs will hold clip on doves as well as Lucky Duck, Mojo and other motion decoys. Lucky Limbs can also be used for crow and pigeon hunting.

Included Items:

- 1 – Dove Tree Trunk (3 Square Pieces)
- 2 – Short Arms
- 2 – Long Arms
- 1 – Carrying Bag

Setup:

- Step 1: Assemble the trunk of the tree by inserting the square tubing together using the quick connect push pins inside the tubing. The bottom section is the section with the spike and the middle and top sections are interchangeable. The middle and top sections will have slots routed out to allow for the arms to connect to the trunk. The slots should be towards the top of each pole section.
- Step 2: Using the square stirrup section of the stake, push the dove tree into the ground.
- Step 3: Attach the arms by simply inserting the rounded end into the routed slots. The long arms should go in the slots in the middle of the dove tree and the short arms should go in the slots towards the top of the dove tree.
- Step 4: Attach the dove decoys of your choice. Flattened spots on the arms allow for easy placement of clip on doves. Motion decoys can be attached using the rounded ends of the shorts arms or the open square section on the top of the pole. Both the Lucky Duck Air Dove and Rapid Flyer Dove work well with this tree.

Lucky Duck™ warrants this product against all manufacturing defects for a period of 1 year from date of purchase. Proof of purchase is required. Abuse of the product (submerged in water, dropped, mistreatment etc.) is not covered. Please return and exchange the defective unit to the store where you purchased the product. If the store will not accept the return, please call customer service at 715-338-3183.
